# Osprey Tailored Learning

Nurturing curiosity. Guiding learning. Growing potential.

My name is Lisa. As an experienced primary and SEND teacher, I know that every child learns in their own unique way. My aim is to create a relaxed, pressure-free space where learning is fun, engaging and tailored to each child, helping them build confidence, enjoy learning and reach their potential.

### Primary & SATs Prep

Tailored numeracy, writing, reading, phonics and SATs preparation focussed on building confidence and knowledge.

### Neurodiversity

Specialist strategies structured around personal interests, pacing, individual strengths and multi-sensory approaches

### Non-Verbal Support

Supportive communication, including visual aids, signing and interactive child-led methods.

### Complex & Health Needs

Experienced with complex medical, physical and developmental learning requirements.

### Anxiety & Home-Ed

A calm, nurturing environment for anxious learners and home-educated children.

### Home Visits & Online

Convenient face-to-face home visits and interactive, engaging online learning sessions.
